- i) That Cllr Brooks and Cllr Connors to join the Play Area Development Group to survey the areas during the day and draw up an action plan.
- ii)That Cllr Toner trials being the Planning Committee Member and Cllr Ward is the reserve Member
- iii) That a vacancy still exists for the Southam Flower and Produce Show
- iv) Members were also reminded to review their appointments and advise of any changes

106.3 COUNCIL MEETING DATES ENV DATES

Noted

107. CORRESPONDENCE

107.1 VASA

Members noted the Grant Feedback form.

Members were informed that correspondence has been received advising the Council that VASA want to stop the current system whereby the Town Council pay for the journeys made by Southam residents, due to the system not being viable. The Town Clerk has spoken to the CEO advising her how shocked we were to receive such a letter and would have expected VASA to show the Town Council some courtesy and discuss the matter before any decision is made. A meeting will be arranged with the CEO and the outcome will be reported to Council in due course.

107.2 Southam in Bloom - Noted

108. ENV WORKING PARTY REPORT – 10TH NOVEMBER 2016

108.1 <u>Item 1 – HS2 ENGAGEMENT MANAGERS</u>

Senior Engagement Manager, Matt Hadlington and Lydia Smith, Engagement Manager – HS2 attended the meeting to discuss their role. They have been appointed, as community engagement needed to be improved, they are a small team, locally focused, employing people will local knowledge. The construction of the line is split into three areas and Southam falls into the Central area, the central area is then split into 3 sub-sections and a contractor will be appointed for each sub-section. Each contractor will appoint a Community Engagement Manager but the first point of contact will be Lydia. Now, there is ground investigation work taking place, the HS2 teams are working with landowners, looking at ground conditions ahead of contractors coming in. There will be a Community Liaison Plan and Lydia Smith will be responsible for signing it off. Contract rules have already been sent and if contractors do not meet the standard they can be financially punished. The rules on engagement have been agreed and a delivery plan is being formulated. Contractors Key Performance Indicators (KPI's) will include community engagement.

Town Mayor Signature	
----------------------	--

The Town Council, Roll B Agent, Mr B Thomas discussed the significant problems regarding responses (or lack of them), Mr Thomas is waiting for a response from Dr Brewer to his 17-page document regarding the serious issue of low frequency sound implications. The HS2 Community Engagement team will consider this. Another serious complaint raised was HS2 contractors going onto land without the landowner's permission, examples were given and Matt Hadlington confirmed that contractors cannot enter land without the landowner's permission and he will investigate these issues and come back to the Town Council.

Finally, a discussion took place regarding the Community & Business Fund, for the central area that will be £15 million. Community & business groups will need to submit good quality bids for funding and the Community Engagement Team will support groups in this process. It is anticipated that funds will be launched immediately following Royal Assent with the first awards being made within six months of the launch.

108.2 GARETH EPPS, INTERIM INDEPENDENT HS2 CONSTRUCTION COMMISSION

Mr Epps attended the meeting to discuss his role he advised the Council that he was appointed in July and his role is to provide a fair and independent resolution of complaints, specifically around construction. The role has three main purposes, firstly complaints will contact Mr Epps as a last resort if complaints cannot be resolved with HS2 Ltd, secondly, adjudicate the small claims scheme for property damage up to £10k and lastly to hold HS2 Ltd to account. There will be an independent body set up to manage his role and he has a separate website to HS2 which is hs2-cc.org.uk. If someone has cause to complaint about HS2 Ltd, they will first contact the HS2 Helpdesk, who will put them in contact with the contractors Community Relations Rep and if the matter does not get resolved they will be advised to contact the Independent Construction Commissioner, any complaints that MPs received will be forwarded to him also. Mr Epps was advised that the helpdesk is a disaster and matters are only dealt with when an FOI is submitted. A question was again asked about noise and vibration and Mr Epps advised that when dealing with the Crossrail construction, the main complaint was noise and vibration, which included low frequency noise and so has experience in dealing with these types of complaints.

108.3. SOUTHAM CHURCH AND COMMUNITY PROJECT

Mrs G Thomas and Mrs S Forgan met with the Council to discuss their Samba Band Grant Application.

RESOLVED:

To award a £1000 grant to cover the cost of the instruments and some initial tutor fees but if the Band folds within 3 years of the 24th November 2016, any monies made from the sale of the equipment must be returned to the Council.

108.4 SOUTHAM FLOWER AND PRODUCE SHOW

Pam McConnell wanted to know if a Councillor would like to join the Southam Flower and Produce Show Committee, they are looking for someone who can offer 'hands on' assistance, particularly promoting the show, social media and engaging with school children.

RESOLVED:

Councillors to think about whether they are interested in taking on this role as no one stepped forward.

108.5 PARKING OPPOSITE THE FACTORY SHOP

Cllr Barratt has advised that at the last Councillor Surgery a complaint was raised about dangerous parking opposite the factory shop and would like the Council to consider requesting the

Town Mayor Signature	

double yellow lines are extended. When considering this request, Members must consider the affect this would have on residents parking outside their homes.

RESOLVED:

To ask PC Cramp about traffic enforcement, Councillor Appleton advise on Double Yellows Lines.

108.6 <u>STREETLIGHTING MAINTENANCE</u>

WCC have recently carried out the annual maintenance survey on the streetlights that the Town Council is responsible for, the outcome of the survey is that there are no columns that require priority replacement, however the lights in the following streets are showings signs of deterioration:

Wattons Lodge Park Lane Heather Close

Members will recall that the Council is progressing an adoption programme to eventually relinquish their responsibility as a streetlighting authority, therefore the cost to bring the above streets up to standard and have them adopted by WCC and thus relinquishing the Town Council responsibility is £15900, the available funds that the Town Council holds for streetlighting is £23,279.52

RESOLVED:

To update the streetlights in Wattons Lodge, Park Lane and Heather Close at a cost of £15900 and that these lights are to be adopted by WCC

108.7 Planning Applications

RESOLVED

See attached

108.8 PLAY AREA QUOTATONS

There are various maintenance issues that need to be dealt with following the play area inspection, the main issues are safety surfaces. I have sought quotes for the necessary work and attached the necessary information the quotes stated offer best value. I have had a meeting with Cllr Brooks to explain the quotes and the differences in safety surfaces. The Town Council have a remaining budget of £17463.30, in the Repairs/Inspections/Replacements so have the funds to carry out the work at a cost of £15430.90.

Members were also advised that SDC are holding £63,902.30 that is to be spent on Play Areas in Southam, and for SDC to release the money to the Town Council quotations need to be sought.

RESOLVED:

i)To accept the quote and carry out the repairs, as follows, for a total cost of £15430.90 to be taken from the repairs/inspection/replacement budget.

Park Lane Recreation Ground

Repair Multi Pondo - £45.00

Inspect & repair roundabout - £65.00

Remove Waveybridge - £415.00

Supply new upper structure to the Uniplay Billores - £2735.00

New safety surface for Aerial Runway, Basket Swing, Roundabout area including, springer and installing a new hopscotch £11193.00

Prior Meadow Swing safety surface - £977.90

Town Mayor Signature

ii)That the Town Clerk (with assistance from Cllr Brooks and Cllr Connors) obtains quotes and report back to Council.

108.9 RIVERSIDE WALK PATH

The path is in a poor state of repair and it has been difficult finding companies to quote, so far, I have sought a couple of quotes and depending on what work gets done they range from £5787.50 to £23,356. There is one section of the path (approx. 252m2) that is particularly bad to the point where it a hazard and following discussion with Cllr Brooks we are both opinion that work should get carried to this section to make it safe at a cost of £5787.50 and look at more in depth work later to do the whole of the path and others paths around Southam that the Town Council is responsible for.

RESOLVED:

To accept the quote of £5787.50, monies to be taken from Ear Marked Reserve Footpath, Community Space and Traffic Calming.

109. SOUTHAM CHRISTMAS LIGHTS ASSOCIATION

Noted

110. INFORMATION FROM COUNTY AND DISTRICT COUNCILLORS

No reports

111. EXCLUSION OF THE PUBLIC FROM THE MEETING

It was moved and

<u>RESOLVED:</u> that pursuant to Section 1(2) of the Public Bodies (Admission to Meetings) Act 1960 the public be excluded from the meeting because publicity would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted

112. STAFF SALARIES AND PAYMENT FOR SERVICES

RESOLVED:

To authorise the payment of staff salaries dated November 2016

113. GROUNDS MAINTENANCE (GRASS CUTTING) TENDERS

Members were advised that 6 tenders had been received and the Working Parking would be meeting on Wednesday 30th November 2016 to consider them.

Cllr P Jenkins left the meeting

114. <u>CLLR P JENKINS – TRAVEL EXPENSES</u>

RESOLVED:

That after careful consideration, no travel expenses would be paid to assist Cllr Jenkins to attend Council meetings.

Cllr P Jenkins returned to the meeting

Meeting closed at 8.45 pm
