

HS2 Traffic Management Ufton

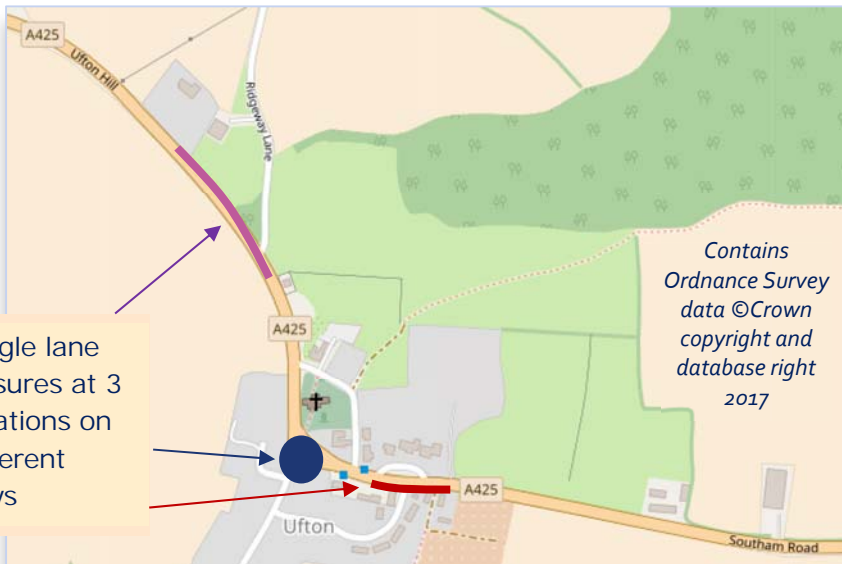

August 2018 | www.hs2.org.uk

High Speed Two (HS2) is a new high speed railway which will provide a vital transport link for the country. Initial works on Phase One of HS2, from London to the West Midlands, have now started.

Please note that we will be carrying out surveys in your area as part of early works to prepare and clear the route in advance of the main construction. Early works are carried out by LM - a joint venture between Laing O'Rourke and J. Murphy & Sons.

These surveys will involve traffic restrictions at three separate locations (see map below). This work will be carried out from **Monday 20th August** and last up to **four days**. The work will be carried out in one location at a time.

Controlled temporary traffic restrictions using portable traffic signals will be in place on each day from 9.30am, with restrictions lifted and the road fully re-opened by 3.30pm.

Single lane closures at 3 locations on different days

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk
